

*The New York Times architecture critic Carter B. Horsely refers to this prestigious prewar cooperative as “arguably the city’s, if not the world’s, finest apartment building...”*

**BARONIAL GRANDEUR**

High in the tower of one of Manhattan's most coveted addresses is one of the finest of all homes. This riverfront 16-room duplex on 2 full floors is surrounded by majestic views and offers unparalleled opulence and luxury. This once-in-a-lifetime opportunity is offered at \$50,000,000.
